We advise crafters to use a credit card number for payment (instead of a check) because space is so limited. You might not be able to participate in all the weeks that you request. The market manager will be in touch via email before charging your card if that is the case. The early deadline for farmers and prepared food vendors is October 8th. The first round of applications will be processed after that date. For the best chances, get your application in before that date.

Spaces are 8' x 8' for everyone. For placement & layout options at the market please let me know of any special needs. Do you need to be against the wall? Typically, vendors who sign up for the full season are placed against the wall unless there are special circumstances.

Spot placement & layout will be determined by the market manager based on the indicated needs and availability. Priority will first be given to agricultural vendors, then prepared food vendors, then crafters.

For market promotion purposes:

What payment methods do you accept? (please check all that apply)

- Cash Checks Credit Cards

We cannot offer refunds. The market manager does keep track of attendance. (See rules & regulations for attendance policy.) No booth sharing. This is a rain (& snow) or shine event. See rules & regulations #2 for more details on the inclement weather policy.

Space is VERY limited and available on a first come, first served basis. Applications are stamped with a date as they come in. Maximum number of spaces is approximately 23. Preference for approval of applications is based on vendor type, last year's winter market, summer Farmers' Market seniority, availability of space, product mix, and any other consideration that the market manager reasonably believes necessary to maintain a successful Farmers' market.

Most questions are answered in the enclosed rules & regulations. Please make sure to read over those sheets before sending in an application.

Agreement:

I have read and agree to abide by the rules of the market, as set forth in the enclosed rules & regulations sheets. I realize that failure to do so may result in revocation of my attendance privileges and any money paid to date. I understand that this market is run by the York Region Chamber of Commerce; the Chamber reserves the right to terminate my attendance at the market if the market manager deems my behavior or conduct inappropriate/unsuitable.
