Member Website Benefits 2017:

Manage your own information by logging into www.chamberlogin.com using the login name & password assigned when you join.

Online Business Directory Basic Listing

Each chamber member receives a basic listing in the Chamber's online business directory. Visitors to the site find your listing by searching by category or keyword, or viewing an alphabetical listing.

Member Information Web Page

Included with your business directory listing is a member information web page for each member. Use this web page to promote your business and provide the following information:

- 200 Character Business Description
- Hours of Operation
- Driving Directions
- 8 Key Words search terms

Post Job Openings

You can post job openings on your Chamber's Job Postings Page.

Post Hot Deals

Advertise value added specials or offer coupons on the website's Hot Deals page. Your unique "Members Only" login lets you enter the title, description, category, and date range for the special to run. The Hot Deal coupon can include a link to your website.

Post News/Press Releases

Share news and developments regarding your business in the member news section of the newsletter and website.

Advertise Business Events on the Community Calendar

Post your Customer Appreciation, Grand Opening, or other event on the Chamber's community calendar. Simply login using your "Members Only" access and submit your event for chamber approval.

Your Chamber's Chamber Master application also includes an events management module that makes it even easier to participate in Chamber events. Now, you can register for events online. You can also opt to be reminded of events, or sign up for automatic e-mail notification when events are added.

Your Chamber staff is available to assist when needed. Start taking advantage of these opportunities today and see the results tomorrow.
